

GELLIWIG RESIDENTIAL CENTRE IS 21 YEARS OLD ON 11TH. NOVEMBER 2010.

Can you spare 20 pence a week?

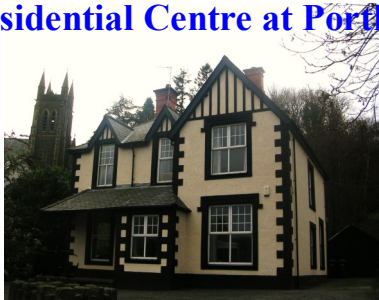

£10 a year?

What for?

To ensure that thousands more young people from Wolverhampton have the chance to stay there during the next 21 years!!

Gelliwig is managed by a group of volunteers and we are determined to keep the cost per child of staying there down. We are a non-profit making charity but need to raise funds every year to pay for gas, electricity and insurance. If we passed these costs on to the children the cost to them would be prohibitive – so can you help us by completing the form below.
