

Congratulations and thanks

Intrepid trekkers from Colton Hills Community School, Ms D Williams, Ms L Heeley, Ms H Willetts, Mr D Jackson, Mr G O'Hara and Mr P Thacker conquered Mount Snowdon on Saturday, 18th May 2024.

They were joined by seven other people including Mr C Blagrove and Mr A Morris of Right Track and his family members, one of them was 4-year-old Jacob.

Jacob, together with his grandmother, Gill Morris and I completed the first 1,000 steps as planned and the main party made it to the top valiantly. They reached the summit around 2pm having set off just after 9am. Coming back down was almost as tiring with different muscles being used constantly.

So far over £4,000 has been raised through donations towards the cost of the outdoor play area and this will be supplemented by further promised donations.

Sincere congratulations and many thanks to all at Colton Hills Community School for their unwavering support.

Keith Berry
(Former teacher at Colton Hills)
